Dear Home Dream Ventures LLC:

Attached hereto are several documents regarding the above referenced property. Previously, you have been provided with notices from the City of Helena-West Helena Code Enforcement Officer and you have not responded. Your property remains in disrepair, unsightly, and has been determined to be a nuisance by the Code Enforcement Officers. This notice is the City's last attempt to bring you into compliance and for you to correct all issues on the property.

In addition to the notices that were previously forwarded to you, I have attached an ordinance authorizing the condemnation of your property. This is a very serious matter and should not be ignored by you. Please contact the Code Enforcement Officer immediately if you desire to resolve this matter prior to the City moving forward with additional measures. The Ordinance that is included will be on the City Council's agenda on the first Tuesday in December; however, you must respond to Code Enforcement by October 31, 2020. The City has previously notified you of a 30 day requirement to respond, but you failed to do so. This is merely a courtesy to provide you with additional time to both respond and take remedial measures on your property.

If you do not respond and take remedial measures, the City will begin the condemnation process which will include the passage of the attached ordinance. The demolition and/or razing of the property. The City will clear the lot and account for all man hours that are utilized to correct the issues. Thereafter, the city will send you a bill to pay it for all the services that were rendered in the remediation of the issues on this property. If that is not paid by you then the City will be the lien process to place a lien upon the property and collect it payment by placing a lien on the property and having the County to collect it along with your regular ad valorem taxes.
